B.S. Natural Resources (Environmental Interpretation with a Horticultural Specialization)
- 1988. The Ohio State University - Columbus, OH

A.A.B. Ornamental Horticulture, Cincinnati Technical and Community College (1985).

2008 Consulting Academy, American Society of Consulting Arborists

Commercial Pesticide License/Certification, Commonwealth of Kentucky. Category B, Operator.

Applicator License, State of Ohio. Category 6A, general ornamental plant and shade tree pest control. Category 8 turf pest control.

Commercial Pesticide License, Indiana

EXPERIENCE PROFILE

2/05 to Present

Managing Director, Arbor Doctor, LLC-Cincinnati, OH

Full service tree health care, tree preservation and consulting, testified as expert witness. Memberships in International Society of Arboriculture, Tree Care Industry Association, Ohio Nursery and Landscape Association, and Cincinnati Better Business Bureau.

5/01 to 12/04

SHOWCASE TURF AND TREE-Cincinnati, OH

Tree and Shrub Specialist for this family owned lawn and tree care company. Handled all aspects of the tree and shrub care operation including scheduling, routing, customer care, material and treatment decisions, and all spraying, fertilization, analysis, and diagnosis. Also worked in the lawn care operation, Christmas Decor, and snow plowing.

- Responded directly to customer inquiries, questions, and concerns
- Investigated, diagnosed, and recommended treatments for specific plant health problems.
- Personally performed all tree and shrub fertilization and spray treatments.
- Performed all tree mauling injections.
- Aided in performance of lawn care treatment duties, including application of dry fertilizers, weed control, and grub control.

6/97 to

TRUGREEN - CHEMLAWN – Cincinnati South Branch, Florence, KY

5/01

Tree and Shrub Specialist for the Cincinnati South branch of the largest lawn and ornamental tree/shrub care company in the US. Duties were similar to the position at Lawnbuilders but with a much larger customer base and responsibilities.

- Cincinnati South Specialist of the Year 1998.
- Cincinnati South branch safety award 1997.
- Cincinnati South Specialist of the Month November 1997, March 1998, March 1999, May 1999.
- Led Safety Lines program for branch 1998-1999.
- Consistently exceeded goals for production and customer service.
- Near perfect attendance.
- Consistently recognized for quality communications with customers.

2/94 to

LAWNBUILDERS, INC. – Cincinnati, OH.

6/97

(acquired by TruGreen-ChemLawn in June 1997)

Tree and Shrub Specialist for this full service grounds care firm. Served customers throughout southwest Ohio and northern Kentucky, performing all functions involved with tree and shrub health care, as well as supplemental lawn care duties.

- Responded directly to customer inquiries, questions, and concerns
- Investigated, diagnosed, and recommended treatments for specific plant health problems.
- Personally performed all tree and shrub fertilization and spray treatments.
- Performed all tree mauge injections.
- Aided in performance of lawn care treatment duties, including application of dry fertilizers, weed control, and grub control. Also collected soil samples for lab analysis.

6/93 to
2/94

PETERS NURSERY AND GARDEN STORE - Cincinnati, OH.

Landscaper and Customer Service Representative for this smaller firm focused on quality residential landscaping and the management of a supporting nursery operation. An interim position while seeking to better utilize my education and experience in the horticultural and related environmental fields. Responsible for proper interpretation and implementation of landscape designs and customer service.

2/90 to
6/93

JEFFREY ALLEN CORPORATION - Cincinnati, OH.

Staff Horticulturist with this commercial and municipal landscape contractor. Clients included the City of Cincinnati Urban Forestry Section, Parks Department, and Recreation Department, Newport, Kentucky, Ohio Department of Transportation, Cincinnati Gas and Electric Company, and Cincinnati Incorporated.. Accountable for both landscape design and implementation. Supervised field crews of up to eight depending upon extent and complexity of job.

- Selected to direct or co-direct several major new and maintenance contracts - included high profile areas - met or exceeded every cost and quality objective.
- Created basic design and oversaw installation of two gardens at the Cincinnati Flower and Garden Show for two consecutive years - won silver medals both times.
- As a member of a team of two, conceived need for a customer/prospect newsletter - personally wrote, edited, and illustrated paper - distribution exceeded 200 and produced a very positive response.
- Revamped prior contractor's approach to maintenance of park area

- saved money and improved conditions which won a renewal of contract.

- Supervised contract to maintain and upgrade the appearance of trees and turf along a 10 city block esplanade involving key properties. Performed soil testing, insecticide treatments, and pruning for clearance and tree structure as part of the contract.

10/88 to

SPRING GROVE CEMETERY AND ARBORETUM -
Cincinnati, OH.

1/90

Landscape Gardener performing services for the maintenance of an on-the-grounds nursery, trees, and shrubs for this unique display garden and cemetery operation. Also served as a tour leader covering the historical value of the grounds and vast horticultural collection.

- As a team member, managed the large-scale bulb and annual floral displays - provided every conceivable service connected with growing, displaying, and maintaining these plants.
- Learned the disciplines of growing, balling, and planting a wide variety of ornamental trees including many rare specimens.

While in College:

- Held positions with the **Hamilton County Park District** as a **Landscape Technician**.
- **Urban Forestry Intern** with the **City of Cincinnati Urban Forest Management Section** (since moved to the City of Cincinnati Park Board), Improved skills in tree pruning techniques and learned inner workings of the park district and maintaining public properties - utilized methods of Alex Shigo. Completed a tree growth/mortality study for the city of Cincinnati - led to recommendations for future tree management programs for the city.
- Landscape Crew Member, **Avant Gardeners**, Cincinnati, OH.

ADDITIONAL INFORMATION

US National Weather Service Cooperative Observer, CoCoRaHS Weather Observer, Member Westwood Citizens on Patrol, Cincinnati Police Department, Volunteer Civilian Coordinator 2012-present; Member, At Work On Purpose; Member, Westwood Civic Association and past Board Member, Chairman of the Parks and Recreation Committee, and Tree Board member; Named as the Outstanding Young Civic Leader, Western Hills Jaycees (1984). Interests include community service work, horticulture and gardening, writing.
